### Art Salon: Building a Supportive Community

#### Coming February 11<sup>th</sup>, 2019

An evening at PVA for artists to share projected images of their work in a community gathering. Share your imagery, techniques, ideas, and/or goals with other artists, PVA members and the general public.

Hopefully this will become a recurring event so that many artists will have the chance to participate as presenters and/or guests.

Would you like to share your work? Email [rosy@baymoon.com](mailto:rosy@baymoon.com) for more details. Thank you Rosy Penhallow for bringing this event to PVA.
