**BILINGUAL TOURS AVAILABLE UPON REQUEST**

Alexis Spakoski, *Dog 2*  
Susana Arias, *Portrait of a Horse*  
Cristie Thomas, *Three Bristle Broom*

## Take Aways: Art to Go! January 23 - March 10, 2019

Start off the New Year with a Gallery Visit to one of our annual invitational exhibits Take Aways: Art to Go! This diverse invitational exhibit features local artists from Santa Cruz County. The art on view includes a wide variety of mediums including: sculpture, drawing, ceramics, fiber, mixed media, encaustic (wax), print-making, photography, and glasswork. Give your students the opportunity to discover and learn about how artists choose to use and reuse materials in creating their work. Students can ask questions about the variety of media on display. Come visit and ‘take away’ new ideas for your classroom and methods of using different materials! Colorful and lots of ART to explore.

## Vote! Your Voice is your Vote /¡Vote! Su Voto es Su Voz dia

April 3 - May 26, 2019

Come visit this juried all-media exhibit which seeks to educate, inspire, and develop greater interest in the democratic process. Artifacts and stories detailing the involvement of Monterey Bay residents in historic and current voting rights struggles serve as the backdrop for the exhibit.

Concepts for discussion presented by the art work may include: current and/or past voter suppression issues; loss/gain of voting rights to under-represented groups; meaning of the youth vote; and issues that you can or should be able to influence through your vote. Bring your students and see the artists interpretations of the question: “What does the right to vote mean to me, my community, and/or my country?”
