CALL FOR ENTRY

Movable Murals

Celebrating Watsonville's Culture & History

250 Main Street, Watsonville

Presented by Pajaro Valley Arts and the City of Watsonville

Deadline May 6, 2019

Exhibit Dates: July 4, 2019 – Approximately May 31, 2020

Movable Murals is a joint project of PVA and the City of Watsonville which provides outdoor, semi-permanent hanging space for muralists and artists utilizing digital media and/or painting to create temporary installations.

Selected artists/community groups will be provided 4' x 8' sheets of primed marine plywood upon which the painting, wheat pasting, or digital media will be applied. Completion of artwork will take place at artists' studios, or location of artists' choice, **and will not be created on-site.**

Completed panels will then be installed by the City of Watsonville. Your mural/artwork will be viewed in this location for approximately 6-12 months, at which time different artists/community groups will be offered the opportunity to create upon the same surface/plywood. Artists will be paid a \$250 per panel (4' x 8') stipend to offset costs of paint/printing. In this call for artists and community members, we are looking for work that:

- Shows a high degree of artistry
- Involves the community in the creation of the artwork
- Promotes a positive image of the people and community of Pajaro Valley
- Focuses on topics such as pedestrian and traffic safety, or Pajaro Valley's history, people, neighborhoods, landscape, arts and culture

Sites and Sizes

There are four installation sites available at 250 Main Street. You may apply for one or more sites. Subject matter in each should relate to each other. Panels are separated architecturally by bricks and columns (see photo) and are located on the Main Street side of the City Building.
