Take Aways: Art to Go!

January 22 - March 8, 2020

Start off the New Year with a Gallery Visit to one of our annual invitational exhibits *Take Aways: Art to Go!* This diverse invitational exhibit features local artists from Santa Cruz County. The art on view includes a wide variety of mediums including: sculpture, drawing, ceramics, fiber, mixed media, encaustic (wax), print-making, photography, and glasswork. Give your students the opportunity to discover and learn about how artists choose to use and reuse materials in creating their work. Students can ask questions about the variety of media on display. Come visit and 'take away' new ideas for your classroom and methods of using different materials! Colorful and lots of ART to explore.

Campesinos: Workers of the Land

April 1 - May 24, 2020

Campesinos: Workers of the Land honors the dignity of our agricultural workers and farmers. What do you see, feel, and believe as you pass by our fields everyday? Through their artwork, regional artists represent the issues of dignity, labor, workers' rights, immigration, and the duality of every day living for migrant workers. Their artwork celebrates the contributions of our workers, and captures their celebration of family, home, and community.
